

COMPANY PRESENTATION & PORTFOLIO

Francisco Rodríguez

Operations Manager

franciscor@coatingss.com | (787) 479-4553

OUR SERVICES

1/2

Our ability to work on any type of structure make us the best alternative for your industrial coating needs.

Servicing Texas, USA.

ABRASIVE BLASTING

Surface preparation procedure using different types of abrasive media. Can be performed in concrete as well as in steel.

INDUSTRIAL COATINGS

Application of high performance paints to a structure's surface to avoid corrosion.

FLOORING SYSTEMS

Our flooring systems provide a long term solution to industrial floors.

INTUMESCENT FIREPROOFING

Structural Fireproofing is a passive fire protection measure that makes structures more resistant to fire.

OUR SERVICES

2/2

Our ability to work on any type of structure make us the best alternative for your industrial coating needs.

Servicing Texas, USA.

HEAVY EQUIPMENT COATINGS

Application of specialized paints to correct and protect surface problems on your equipment to extend its lifespan.

STEEL & CONCRETE RESTORATION

We have the capability to repair cracks, holes and fissures on steel and concrete, using high performance materials.
